

<b>Policy Name:</b>	Protocol for Reporting Accidents and Injuries
<b>Responsibility</b>	Archery Australia Inc Board
<b>Effective</b>	1 <sup>st</sup> January 2016
<b>Policy Number</b>	1025
<b>Edition</b>	2

## **Overview**

To ensure any accidents, serious injuries or near misses are reported and managed appropriately to ensure the best interests of the injured person and the sport is protected the following procedure must be followed.

### **Archery Australia Inc Serious Case Manager**

Archery Australia will have appointed a designated person or the CEO as the Serious Case Manager and will assist in managing such incidents.

The Archery Australia Serious Case Manager is the first point of contact in the event of an accident or injury, and will provide a link between the club/RGB, Archery Australia Inc and the insurance provider.

## **Definitions**

A reportable injury -

1. an incident resulting an injury to a person which requires external medical treatment (Doctor, Ambulance, Hospital).
2. an incident causing death.

A reportable accident is an incident which may not have resulted in any injuries but may have had the potential to cause injury or property damage.

## **Reporting Protocol**

In the event of an injury the following protocol process is followed -

- Provide immediate on-field medical care, immediately call emergency services and arrange suitable transportation to the Hospital or medical facility for the injured person.
  - A senior official in attendance must immediately establish control (Incident Manager) of the situation and contact by either phone or email the Archery Australia Serious Injury Case Manager passing on all available details of the incident.
4. Archery Australia Serious Injury Case Manager notifies Archery Australia President or CEO of the injury/incident and associated facts.
  5. Archery Australia Serious Injury Case Manager notifies appropriate RGB providing details.

## **Incident Manager**

- 1) Ensure appropriate and immediate on-field medical care is provided i.e. immediately call emergency services and arrange suitable transportation to the Hospital or medical facility for the injured person.

**In the case of fatality contact police immediately.**

- 2) Make telephone contact with Archery Australia Serious Injury Case Manager.
- 3) Accurately record any details and persons associated with the injury, including the taking of written witness statements.
- 4) Notify next of kin, **in the case of a fatality, the Police will notify the next of kin.**
- 5) Monitor if required competitors, spectators require debrief and or counseling.
- 6) Avoid making any statements to the media, direct media to Archery Australia Office.
- 7) **Complete the Serious Injury Report (attached to this document) or complete on line and submit copy to Serious Injury Case Manager.**

## **Archery Australia Inc Responsibilities**

1. Monitor current and ongoing status of the injured player
2. Provide support – logistical and human, to the injured player, club and RGB as required
3. Complete analysis report of injury occurrence and record on Serious Injury Register

### **EXTERNAL INCIDENT PROTOCOL**

The protocol and procedure listed above is for internal incidents only (an accident on a club range, field or tournament). In the event of a shooting incident outside club grounds and by non registered members the following **MUST BE OBSERVED.**

It is vital that if such an external incident happens a consistent media approach is maintained, and it is for this reason all media enquiries must be handled by one person within Archery Australia Inc.

If such an incident should occur irrespective at what level of the sport all media enquiries should be directed to Archery Australia CEO.
